

DIGITAL Awareness WEEK

Increase cyber awareness,
protect our data & privacy in the
digital age.

STRONG & UNIQUE PASSWORDS

Use a combination of letters, numbers and symbols - don't reuse them on different accounts.

ENABLE TWO-FACTOR AUTHENTICATION

The additional verification code will make the account much more secure.

BEWARE OF SUSPICIOUS LINKS & EMAILS

Avoid clicking on links from unclear sources to prevent phishing.

REGULAR SYSTEM & APPLICATION UPDATES

Software updates close security holes that hackers can exploit.

STAY SAFE
