Dear HR,

I am writing to express my enthusiastic interest in the Internship opportunity at your company Amazon, which I found on LinkedIn.

As a highly motivated student of 1st year studying CSE-AI/ML at Rungta International skills University, I have developed a strong foundational understanding of HTML, CSS and JAVASCRIPT.

I am particularly drawn to Amazon's recent work on developing new features to its website and app and believe my commitment to learning quickly and contributing innovative ideas to your team's objectives.

My resume is attached for your review, providing further detail on my academic background and practical experience. I am available for an interview at your earliest convenience.

Thank you for your time and kind consideration.

Sincerely,

Apurva Agarwal
